

*Celebrating 32 Years Providing California's Central Valley
With World-Class Entertainment and Education in The Performing Arts*

Lively Arts Foundation is a tax-exempt nonprofit presenting and support organization. Its Mission is to bring an eclectic and multicultural variety of the highest levels of classical and contemporary entertainment to the residents of the San Joaquin Valley for their enjoyment and edification, to foster an enriched environment of the Performing Arts for talented young local students, and to enhance quality of life (including the lives of underserved youth through its Discover Dance! Outreach Program), by continuing to create opportunities to experience the vibrant, unifying, and uplifting power and beauty of the Performing Arts.

DISCOVER DANCE! STUDENT OUTREACH PROJECT

Lively Arts' Discover Dance! Outreach Project introduces the magic of the Performing Arts to thousands of the Central Valley's underserved students and families by providing tickets to its performances at no cost. Since Covid 19 prevented us from presenting our traditional Friday Morning School Show in 2020, 89,000 Central Valley public school students were invited to enjoy a stream of Central California Ballet's The Nutcracker. This year we will select at-risk students to experience a live ballet performance of Central California Ballet's The Nutcracker at the Saroyan Theatre on December 11th and 12th at no charge.

"The generosity of the Lively Arts Foundation has changed the lives of countless kids in Fresno."

-Karen Kroske, Retired Program Director, Fresno Police Activities League
